Dear Madam/Sir:

In a customer service business, we are faced with many demands. After the June 2015 and February 2016 severe windstorms, your company responded to the homeowners during their time of need. Your prompt emergency response allowed them to access their property, clear debris and more importantly, eliminate dangerous hazards.

I am confident to render your name to homeowners, dependent upon your professional quality service.

Very truly yours,

James C. Johnson
